Letter from the Program Director

Written by John Mensah

As we step into March and celebrate **Women's History Month**, we reflect on the powerful words of **Coretta Scott King**:
"The woman power of this nation can be the power which makes us whole and heals the rotten community, now so shattered by war and poverty and racism. I have great faith in the power of women who will dedicate themselves wholeheartedly to the task of remaking our society."

We reaffirm our commitment to uplifting and empowering every member of our community. We continue to stand for gender equality, ensuring that **women of all ages** have access to the **resources, education, and opportunities** they need to thrive—wherever life may take them!

As an organization, we remain committed to enriching the lives of residents in managed communities through impactful services and programs that foster growth and development. Our dedication to gender equality ensures that women of all ages can access the resources they need to thrive, no matter where life takes them.

This commitment shines through in our vibrant and engaging after-school program. With a strong focus on STEAM learning, our learning lab sessions blend direct instruction with hands-on, project-based learning. Designed to spark curiosity and creativity, these programs are guided by experienced educators who inspire and empower students every step of the way.

We prioritize delivering programs and services that cater to the unique needs of adults and seniors in our communities. From career readiness workshops and financial literacy classes to health and wellness initiatives, our offerings are designed to empower and support you. Whether you join us in person at the community center or participate virtually from home, our dedicated team will guide you every step of the way.

Thanks to the generosity of your apartment community, all our programs and services are provided free of charge, bringing valuable resources right to your doorstep. The community center is a vibrant hub for growth, connection, and support throughout the month and beyond. We welcome your ideas and feedback—feel free to reach out to your site coordinator, call our main office at 301-925-4251, or email us at programs@csfnd.org.

March

EVENTS AT A GLANCE

 **Open Rec from 11 AM - 6 PM: March 31**

 **NO Parent Meeting this month!**

 **PG Summer Youth Employment Program Application Closes: March 31**

Community Manager Message

Dear Residents,

March signals the end of one season and the beginning of another. Oh, how happy most people are in Spring when the flowers peek out from their winter hibernation. Monday, March 20, is the first day of Spring in 2023, so let's take in all the beauty that this season offers.

Please read all correspondence that your Management Team delivers to your home. These notices are critical and informative. If you ever receive a notification that isn't entirely clear to you, don't hesitate to contact the Office, and we will be glad to answer any questions you may have.

Please be considerate and do not wait until you pay your rent to tell the Office about any maintenance issues or concerns. It is a very busy time-sensitive period for us. More importantly, it would help if you never waited to report a problem or a concern. Thank you.

FEBRUARY HIGHLIGHTS

Adult & Senior Education Updates

Written by Tiffani Grier

This month's adult and senior program offers an array of engaging activities and events aimed at fostering social interaction, learning, and overall wellness.

- Financial Literacy class on Mondays to enhance financial understanding
- Health & Wellness classes centered on nutrition, fitness, and mental health
- ESOL classes to assist with basic language skills and document translation
- Career & Job Readiness class on Wednesdays focused on mastering job interviews and common questions

Don't forget to review the program schedule for specific dates and times of events, and sign up to participate in the fun!

Youth & Teen Education Updates

Written by Tiffani Grier

As we transition into March, we honor Women's History Month with a focus on trailblazers in science, technology, engineering, arts, and math (S.T.E.A.M.).

March Themes:

- Week 1: Women Who Changed the World: Trailblazers in S.T.E.A.M.
 - Highlighting female inventors, scientists, & mathematicians
 - Exploring Women in the Arts & Media
 - Recognizing Black Women in S.T.E.A.M.
- Week 2: The Science of Storytelling: Theater, Animation, and Digital Art
 - Exploring the science behind stage lighting, sound, & storytelling
 - Learning about female directors, animators, & authors
 - Engaging in animation, digital storytelling, & coding activities
- Week 3: Mathematics in Motion: Patterns, Logic, and Everyday Problem-Solving
 - Exploring Pi Day (March 14) through geometry & real-world applications
 - Applying math in engineering & problem-solving activities
 - Recognizing women mathematicians like Katherine Johnson
- Week 4: Our Planet, Our Future: Sustainability, Nature, and the Environment
 - Learning about Earth & Environmental Science
 - Exploring the work of women environmental scientists
 - Investigating biodiversity through the study of insects & dinosaurs

Learning Lab focused on Empowering Voices: Celebrating Black Innovators and Changemakers in February

No Parent Meeting This Month!

Health & Wellness

Written by Janel Patrice

March is a significant month for mental health awareness! Several days within the month of March are dedicated to increasing understanding and breaking the stigma around mental health conditions. From self-injury to bipolar disorder, these observances provide opportunities for education, advocacy and support.

For this month, let's center our focus on our loved ones. Specifically, to our children who may be feeling sad and discouraged, and to our staff, who have gone silent and may be showing signs of hopelessness and worthlessness. A positive word goes a long way to those that may be longing for companionship or just to know that they are worthy of love and appreciation.

Today in the world, our children face increasing pressures from school, social media, and personal challenges. Let's encourage parents, teachers, and our own mentors to check in on their mental well-being. Mental health struggles are real, and support is available. For CSF staff, EAP is right at your fingertips and is a free resource for you that is confidential. Ask your HR representative for more information.

In conclusion, whether it's through social media campaigns, community events, or simple conversations, each of us has the power to make a difference. Let us use March as an opportunity to educate support and advocate mental health awareness.

WHEN IT COMES TO MEDICARE YOU HAVE CHOICES.

Let me
help you

find a plan to fit your health care needs.

Are you or a loved one enrolling in Medicare this year?

Are you thinking about retiring? No matter your situation, I can help you get answers to your Medicare plan questions like:

- What is Original Medicare and are there other health care options?
- What do Medicare Parts A, B, C and D mean?
- What are the differences between Medicare and other health coverage?
- Is Original Medicare enough health coverage for me?
- Are my prescriptions covered?
- How much will it cost?
- Do I have deadlines to enroll?

Contact me and get answers to your Medicare plan questions today

As your independent health care resource, I can offer you Medicare plans from several private insurance companies. I would be happy to talk with you over the phone or in person.
