## Community Center Newsletter

### Our Site Coordinator's Message

Happy September!

Community Services Foundation's staff and volunteers are excited about the activities we have planned for you and your family! We will kick off the beginning of the after-school program with an ice cream social held in the community center on Friday, September 1, for children ages 5 – 12. If your child isn't participating in our programs, please run and enroll them in our programs before September 1! A copy of their report card gives them access to the ice cream social and a seat on our bus for our upcoming field trip to Urban Air [www.urbanair.com](http://www.urbanair.com). Our after-school program is free for residents and provides homework help, academic support, meals, snacks, and so much more. Don't miss out!

Join us for our monthly parent meeting that will be held on Wednesday, September 20, at 6:15 pm. We will use this meeting to share developments in our after-school program and resources available through our community partners. One partner, Metro, now offers 50% off on metro passes. Please take advantage of this wonderful opportunity by clicking here: [METRO LIFT](#)

Our adult classes will start this month and will be offered virtually and in person. Talk to your site coordinator to participate in our ESOL, GED, Health and Wellness, Job Readiness, and other classes. Additional classes will be added based on your request! We want to hear from you.

We are also excited about the kickoff of our Hispanic Heritage Month Celebration. Youth and adults alike will learn about the 55 million people, or 17% of Americans, of Hispanic or Latino origin. A host of fun activities will include hands-on projects as we learn about the generations of Hispanic and Latino Americans who have positively influenced and enriched our nation and society through exploring music, food, and culture.

Please visit the community center and let us know how we can support you!

## ADULT & SENIOR UPDATES

### OUR COMMUNITY MANAGER'S MESSAGE

What does success mean to you?

It may mean the accomplishment of an aim or purpose. It could mean the good or bad outcome of an undertaking. Whatever your definition, we believe you can succeed in whatever you put your mind to!

As our youth head back to school, we wish them and you a successful 2023-2024 school year.

If you are looking for free afterschool options for your youth, please stop by the Community Center to receive information about the programs and activities provided.

As a gentle reminder, we ask that:

1. Ensure you, your family, and guests properly place trash
2. in the trash receptacles, not on the grounds.
3. Contact the office immediately when you know of any
4. repairs that might be needed.
5. Contact the office or the police if you know of any illegal activity.

These three simple measures can make a difference in our community. Your management team and neighbors thank you in advance for your cooperation.
