Our Site Coordinator’s Message

Hats off to all 2023 Graduates! Community Services Foundation (CSF) wishes to recognize all students as they complete the final days of this school year with special recognition to all graduates! We also acknowledge and thank those who supported you!

We are excited to offer our Summer Enrichment Club: Rock Around Your Block, from June 26th to August 4th, 9:00 AM to 6:00 PM, Monday through Friday. Building on the excitement of last year's program, this year's theme Unlocking the Secrets to Our National Treasures, will promote positive development and build self-esteem. Program participants will learn about some of this country's national treasures and unlock the secrets to discovering they are also national treasures! Although national treasures are generally defined as artifacts, institutions, or public figures representing a nation's cultural heritage or identity, the people of a country are its most significant treasure.

Learning and skills development are critical, but we aim to make it fun. The program will include exciting and fun hands-on arts, science, technology, math, and health activities. Participants can take advantage of five exciting field trips. All of this is offered at no cost to CSF program participants. Registration is already underway. So please secure a slot for your child by contacting the CSF staff at 202-610-9851. Please see the attached flyer for more details.

Many consider summer the best season when we experience more sunshine, barbeques, and cookouts. For many adults and seniors, it is often the time to relax and vacation. Even if you cannot go to a beach or favorite vacation spot, consider a staycation, where you stay home, relax, and enjoy some time away from your normal activities. Do the things that make you happy!

Please help us serve you better by completing the Resident Survey. The link may be found on the attached flyer. We thank you in advance and wish you a great summer!

The programs are provided in partnership with Horning Brothers and Community Services Foundation, and funded, in part, by generous OSSE LEARN 24 grants provided by the District of Columbia.

Community Services Foundation is a CORFS certified organization.
**OUR COMMUNITY MANAGER’S MESSAGE**

Your management team wants to remind you that June 1st officially begins the six-month Atlantic seaboard hurricane season. We have most of our power outages at this time of year.

Unfortunately, using a candle for lighting during these storms can be tempting if your power goes out. Candles can be forgotten or knocked over, especially if a window or door breaks open due to strong winds. In the middle of a storm situation, a fire could be impossible to put out.

Instead, put battery-powered lanterns and flashlights in your home emergency kit. Swap out the batteries on an annual basis to make sure you will always have light in an emergency.

If you haven't a lantern or flashlight in your home, please buy one as soon as possible and do not risk yourself or your neighbors’ lives with an accidental fire.
