Our Site Coordinator's Message

Community Services Foundation (CSF) recognizes Mental Health Awareness Month. Every year millions of Americans are faced with a mental illness. Since 1949, Mental Health America and its national affiliates have observed May as Mental Health Month by reaching out to millions through local events, the media, and health screenings.

The community center offers engaging activities to all youth and teens to inspire others facing challenges. This month we will focus on the importance of Mental Health and learn about the stigma associated with mental health disorders. Youth and teens will participate in interactive virtual sessions, share stories, and journal thoughts and plans for positive mental health outcomes and techniques to manage stress. Come in to take advantage of homework assistance, STEAM (Science, Technology, Engineering, Art, and Math) activities, Character Education, Digital Literacy, and additional support for youth and teens.

Parents, please remember that CSF's Summer Club Program registration opens on May 1st for ages 5 - 12. The program will take place Monday, June 26th, through Friday, August 4th, from 9 am to 6 pm. It is filled with fun activities, including field trips. And, best of all, it is FREE! Please see the attached Summer Club flyer.

We welcome adult and senior residents to join us for various virtual workshops consisting of candid conversations with leaders sharing personal experiences of living with mental health challenges. In addition, we continue to offer food distributions, adult well-care calls, and other community resources. For more information, please come in or call to speak with your Community Center Team Member.

Please help us serve you better and complete the attached Resident Survey flyer link. We thank you in advance and wish you a GREAT MONTH!

COMMUNITY NOTES

Your management team asks all residents to be considerate of their neighbors, including not making disturbing sounds that can be heard in their neighbors' homes, staying aware of their surroundings, and allowing all residents to enjoy their community.

If you're looking for suggestions to help beautify your home and community as you take on your spring cleaning list, consider implementing any of the following recommendations below:

Walk through your home and see if:

* Your blinds or curtains hang straight and close correctly without gaps.
* Your window sills are clean and free of all objects. They should not become an extra shelf for storage or your knick-knacks. (Imagine how our community would look if everyone stored items on their windowsills.)

Please, also remember to:

* Keep your music, televisions, and all other noise at a minimum so you don't disturb your neighbors. Disturbing your neighbors with noise is a lease violation.
* Do not drop trash anywhere on the property.
* Call and report any maintenance concerns immediately.
* Advise our staff and police of loiterers or any suspicious activity.

Call on our staff if you would like additional pointers for your home. We would love to work with you so that your home and community are the ones you are proud to call yours.
