Our Site Coordinator’s Message

Hats off to all 2023 Graduates! Community Services Foundation (CSF) wishes to recognize all students as they complete the final days of this school year with special recognition to all graduates! We also acknowledge and thank those who supported you!

We are excited to offer our Summer Enrichment Club: Rock Around Your Block, from June 26th to August 4th, 9:00 AM to 6:00 PM, Monday through Friday. Building on the excitement of last year’s program, this year’s theme Unlocking the Secrets to Our National Treasures, will promote positive development and build self-esteem. Program participants will learn about some of this country's national treasures and unlock the secrets to discovering they are also national treasures! Although national treasures are generally defined as artifacts, institutions, or public figures representing a nation's cultural heritage or identity, the people of a country are its most significant treasure.

Learning and skills development are critical, but we aim to make it fun. The program will include exciting and fun hands-on arts, science, technology, math, and health activities. Participants can take advantage of five exciting field trips. All of this is offered at no cost to CSF program participants. Registration is already underway. So please secure a slot for your child by contacting the CSF staff at 301 - 925 - 4251. Please see the attached flyer for more details.

Many consider summer the best season when we experience more sunshine, barbeques, and cookouts. For many adults and seniors, it is often the time to relax and vacation. Even if you cannot go to a beach or favorite vacation spot, consider a staycation, where you stay home, relax, and enjoy some time away from your normal activities. Do the things that make you happy!

Please help us serve you better by completing the Resident Survey. The link may be found on the attached flyer. We thank you in advance and wish you a great summer!

This program is provided in partnership with Community Services Foundation, the Maryland State Department of Education, Forest Heights Elementary School and Prince George’s County Department of Family Services.
TO FOREST HEIGHTS ELEMENTARY SCHOOL PRINCIPAL, STAFF, and FAMILIES

Dear Dr. Thompson, Staff, and Families

Typically, this space is used for comments from the management of the properties where our programs are located. In this space, the message would generally come from Dr. Peter Thompson, the principal of Forest Heights Elementary School. As the school year will soon end, we wanted to use this space to publicly express our appreciation to Dr. Thompson, the entire Forest Heights staff, and families. Your support, referrals, and, most importantly, the use of your space where we offer the program allow us to serve your students better. Additionally, we are grateful to the families who entrust their children's care and academic support to our staff and educators.

We look forward to serving your student during our summer program at St. Mark AME Church from June 26th through August 4th from 9 am to 6 pm. Meals, snacks, academic support, recreational activities, and field trips will be provided. The program is offered on a first-come, first-served basis and is free thanks, in large part, to our generous supporters.

On behalf of Community Services staff Shenita Vanish, Ron Frazier, David Peasant, and CSF Site Coordinator Sharron Huff-Lowery, we offer sincere gratitude for the support you have been given during this 2022-2023 School Year!
