December 2023

Our Site Coordinator's Message

Dear Community Homes Residents,

As we approach the festive holiday season, we are grateful for Community Services Foundation's partnership with your apartment community. It gives us an opportunity to meet you and your family members as we look for ways to support your needs for programs and services. We are also here to give you and your neighbors an opportunity to share your unique gifts and talents with the community. We treasure the opportunity to serve you and your family.

Don't forget that the after-school program is free for children ages 5 - 12. This great program offers homework assistance, academic support, and recreational activities. Every child enrolled in our program will receive a gift, courtesy of our community partners, this holiday season.

We will also start our adult education programs in January. These virtual classes are also free and will include ESOL instruction (beginners, intermediate, and advanced), GED Preparation, Financial Literacy, Parenting Classes, Health and Nutrition, and more. Please enroll today!

Finally, your center staff is available daily to provide free meals and snacks to youth and groceries to adults. Please share this information with residents who are in need. We want to ensure no one in your community goes to bed hungry. Don't hesitate to contact us for referrals for services.
